

KMS Post-Contract TSS Training Guide

The following is a list of trainings to fulfill your training hour requirements as mandated by the Department of Human Services and managed care companies for the TSS role. **19** more hours of training must be completed within 6 months of contracting date. Trainings can be completed by going to <http://magellan.training.reliaslearning.com> and following the registration handout directions (on separate document). If you already have a Magellan login from before, simply log back in. Submit completed Magellan Relias transcript in person or by emailing as an attachment to assigned Recruiter. **The trainings in bold are mandatory. Choose 13.5 more hours of training once trainings in bold are completed.**

Training Name	Hours Credited
